

# ENGAGE STPETE

## DEVELOP SOLUTIONS TO IMPROVE CIVIC HEALTH

### Civic Health Index

Measure the baseline level of civic engagement in St Petersburg

### Collaborative

Mobilize organizations interested in improving civic engagement

### Design Thinking

Bring together evidence and mobilized organizations in a design thinking process to develop 1-3 prototype projects for improving civic engagement

## EDUCATE AND ENGAGE COMMUNITY MEMBERS

### Democracy 101

Host trainings and events to foster stronger understanding of democratic and legislative processes, current issues and how to engage effectively

### Runaway Inequality

Educate individual and organizational stakeholders about the impact of economic inequality and how it relates to and links together current issues

### Student Fellows Program

Pilot a mentorship and small-grants program to support high school and undergraduate students to develop their own civic engagement projects
